

Greetings in the Name of our Lord and Saviour Christ Jesus.

I hope that you had a blessed Easter weekend. Thank you for being part with Judea Training in serving God's Kingdom. The Easter season encourages us to share His love with everyone across the world.

It is with great excitement that Judea Training offers the following training to spiritual leaders, pastors and students. The John Journey foundational program covers Biblical Foundations for Modern Day Evangelism, Discipleship and House Church Planting. Students and pastors sign up for the program with registered deans. These students are gathered in groups.

- At registration students receive 6 hours introductory training on the program and training resources.
- After the introductory training students starts the self-study program. (1 hour per chapter in each workbook).
- Once the student completed the JJ workbook through self-study, they are invited for a contact class session. During this session the completed assignments are facilitated by the dean. (4-hour contact class).
- The completed assignments can be in the form of the original workbook, a copy of the workbook assignment or a WhatsApp photo.
- The study focus now shifts to the MBC audio unit.
- The MBC program starts with an in-depth study of the Sermon on the Mount – 24 lessons.
- Students gather once a week in a small group and listen to the 30 minutes audio lessons. Each lesson is discussed at the end of the class.
- Students also download study booklets from a web site link, provided by the deans. Students then print and complete the course assignments.
- The practical work hours in the program are managed by the deans.
- At the completion of the study year students are invited to a local graduation.
- Successful students then receive an ACRP – CPD certificate (Association of Christian Religious Practitioners)

The average theoretical training hours in this program is approximately 30 – 40 per annum. Practical training hours take the total hours to around 72 hours per annum. The student that completes the program successfully will receive 113 ACRP-CPD points. This certificate is backed by the professional body – Association for Christian Religious Practitioners (ACRP). It is an obligation for all registered students to complete the 3-year course to receive the CPD certificate. The cost of the program is R750.00 per annum.
